

Director of Development

Congregation Emanu El
Houston, Texas

About Congregation Emanu El

For more than 80 years, Congregation Emanu El has grown into one of Houston's most vibrant congregations, and is currently its largest Reform synagogue, serving approximately 1,600 families. Our community is dedicated to spiritual life, inclusive community, lifelong Jewish learning, and social justice.

Congregation Emanu El has an annual budget of approximately \$10 million and a separate \$25 million endowment. Our operating budget is funded through a combination of annual membership dues, tuition income from our schools, and revenue from our endowment. With the recent completion of a \$21M capital campaign, Congregation Emanu El is entering an exciting new phase as a community. The success of our capital campaign demonstrated Emanu El's longstanding culture of generosity, and our leadership now seeks to build on that momentum to continue to advance philanthropy as a strong revenue stream to support the congregation's mission and programs.
